

NOTE: Students reporting for WLC must have all items listed below. The 209th Regiment will NOT issue TA-50 to students. Soldiers reporting without the below listed items may be released from the course. This includes having a protective mask. Units without protective masks are responsible for ensuring their soldiers have a protective mask in their possession prior to attending training at Camp Ashland.

During winter months (October through May), soldiers will bring organizational cold weather gear.

Soldiers are no longer required to bring the class A uniform.
